

The Tiger who came to Tea

1 One day, Sophie was having tea with her mummy. They were sitting at the kitchen table when they heard a

knock at the door. Sophie opened the door and saw a big, stripy tiger standing outside!

The tiger said he was very hungry, so Sophie invited him in for tea.

The tiger ate all the sandwiches, cakes and biscuits. He drank all the milk and even ate all the food

in the cupboards! Sophie thought the tiger was very hungry indeed!

Soon, there was nothing left to eat or drink. The tiger even drank all the water from the tap before saying

goodbye. Sophie and her mummy had no food left for their dinner.

Sophie and her mummy went to the café for dinner instead. The next day, Sophie went shopping with her daddy. They bought lots of

food to fill up the empty cupboards.

That evening, Sophie and her mummy sat down for tea. Sophie told her daddy all about the tiger who had come to

tea. They wondered if the tiger might come back again... But he never did! Sophie and her mummy decided that

next time they went shopping, they would buy a big tin of tiger food, just in case.
