

As readers we will be...

- Correctly identifying pictures of well-known characters
- Joining in with repeated actions or phrases
- Demonstrate understanding of our stories

Texts

Colour Monsters
Owl Babies
Our class is a family

As writers we will be...

- Making marks in different ways and with different materials
- Exploring different textures
- Exploring alphabet cards and creating CVC words
- Extending our phonic knowledge

As mathematicians we will be...

- Recognising numbers 1-20
- Counting within 10
- Matching colours
- Recognising shapes

In Physical Development we will be...

- Continuing to develop our fundamental movement skills (running, hopping, skipping, jumping, overarm throw, rolling a ball & bouncing a ball)
- Developing our fine motor skills
- Exploring the large play equipment and learning to use it safely.
- Learning some fun outdoor games

As communicators we will be...

- Using visuals and the AAC device
- Using the talking panel to communicate 'more' during interactive games
- Expressing our needs and wants using our preferred methods
- Learning a Makaton 'sign of the week'

Waterfalls & Whirlpool – Autumn 1

Marvellous Me

As explorers we will be...

- Learning all about dinosaurs
- Making our own fossils
- Labelling dinosaur body parts
- Making dinosaur masks

In Personal, Social and Emotional Development we are.....

- Recognising people who love and care for us
- Learning about different families
- Learning about common features of family life

Music time

- Continuing to explore different musical instruments
- Fast and slow
- Quiet and loud

Cooking:

We will be making:

- Banana and kiwi muffin
- Eggy bread
- Ham and courgette quesadilla
- Tuna pitta pocket
- Red pepper salsa
- Lemon and parsley hummus
- Pumpkin soup

Woodlands

We will be developing independence by exploring the woodlands. Woodland sessions will take place on a Friday - weather and staff dependent.
