

# DEMOCRACY

.....HAVING A SAY!!!

<b>What we do</b>	<b>What this teaches us:</b>
We have the opportunity to vote for who We will represent in school (e.g. school council House captains)	The importance of having a vote in life giving us a say in how our school and country is run
We agree on our class /school expectations (Class contracts)	That all of our ideas are respected and valued
. We make choices regarding our learning paths	To be independent learners
We make links with Local and National and Worldwide Politics	The importance of how the law works and understanding the political processes in our country and the world
