

# PERSONAL RESPONSIBILITY AND LIBERTY

strive

- I take responsibility for my learning.
- I challenge myself and try to be independent
- I know steps to take to achieve my goals and
- I recognise my successes.

sparkle

I take responsibility for my behaviour.

I follow the class contract. My behaviour helps me to learn and doesn't stop others learning. I am kind to others.

spirit

I take responsibility for helping my school to improve.

- I do this by voting in our school council
- looking after resources and equipment
- taking care of the school environment and
- looking after others.
