Top Tips

The secret to success is practising **little** and **often**. If you would like more ideas, please speak to your child's teacher.

Talk about time - Discuss what time things happen. When does your child wake up? What time do they eat breakfast? Make sure that you have an analogue clock visible in your house or that your child wears a watch with hands.

Days of the Week and Months of the Year – Can they say these in order. Do they know what comes before and after each one? When is their birthday month?

Play "What's the time Mr Wolf?"– Play games <https://www.topmarks.co.uk/time/teaching-clock> and ask your child what time it is. You could also give your child some responsibility for watching the clock.
