

# Year 1 - Puppet/toy D.T Knowledge Organiser

## Key Facts and Information

Toys have lots of different purposes.

Toys can vary depending on the age of the audience.

Toys can be made from a wide range of materials and have different functions.

## Key Questions

What does my puppet or toy need to be made of?  
How effective is my puppet or toy?  
What materials do I need to make a puppet or toy?

## Learning Objectives

Research similar existing products

Explain what I'm making and why

Consider what I need to do next

Talk about existing products considering: use, materials, how they work, audience, where they might be used

## Vocabulary

Design	A plan or drawing to show what their plan will be
Make	Constructing something out of different materials
Evaluate	To look critically at their design and think about the positives and negatives
Research	Look at a variety of different examples
Materials	The different things that a musical instrument can be made from
Tools	Different devices that carry out different functions
Measure	To work out the size of something.
