

All Pupils -including the pupils on roll in the SEN UNIT

Holway Park -70% of all pupils met the National Standard

National- 80%- of all pupils met the National Standard

Average mark

Holway Park- 33

National 33

Pupils With SEN including the pupils on roll in the SEN UNIT

EHCP

Holway Park- 27%- higher than the national

National- 20%

SEN Support

Holway Park- 80%- considerably higher than the national

National- 52%

The governors noticed our SEN EHCP and SEN Support percentage of pupils are higher than the national score.

It should be noted that the mainstream also has pupils with EHCP in this cohort as well as SEN Unit- this percentage would be considerably higher if the SEN UNIT pupils were removed from the data. The issue with the SEN UNIT pupils is the majority are non-verbal and therefore unable to access the screening.

Disadvantaged pupils including the pupils on roll in the SEN UNIT

Holway Park- 38%

National- 67%

Governors noted that this includes the pupils in the SEN Unit and that 40% of the schools disadvantaged pupils in this cohort are in the SEN UNIT
