

Year 6 Homework project Autumn - due in Week commencing 2nd
December

Rainforests

As part of our learning in Autumn, we have learnt all about Brazil which contains the Amazon Rainforest. Your homework theme for this term is rainforests.

Here are some ideas to make your project successful:

- Make a model rainforest
- Research other rainforests around the world
- Create a factfile of an endangered species
- Present your findings on deforestation
- Make a book about rainforests
- Make a piece of art about rainforests
- Learn the layers of the rainforest
- Read a book that has a rainforest in
- Research animals that you might find in the rainforest
- Write a song or a poem about the rainforest

We look forward to seeing your creativity!
